## THE PRESIDENT'S MESSAGE

BY GARY MCEACHERN

The Rocky Mountain Country Coachers Club has survived and thrived in our first year! The goal of our chapter members, to schedule three rallies per year to enable us to get to know one another while we explore the great Rocky Mountain region, has been accomplished. Gail and I have been so encouraged by the genuine support shown by all club members, at every turn, in the planning and implementation of activities associated with the club. We look forward to "Year Two" with the same excitement experienced during the past year, and appreciate your continued support of our efforts by re-electing us for a second term. Congratulations are in order to Mike Cocci who was elected Vice President. Gail and I look forward to working with him in 2004. And, speaking of 2004, it appears we have an outstanding roster of rallies with Moab, UT (May), and Jackson Hole (Sept.) filling out the year. Some initial

President Gary McEachern  
and Sec./Treas. Gail McEachern

planning is already under way for 2005, with Tucson and Rocky Point, MX in the winter, Las Vegas/Pahrump, NV in the spring and Alamogordo, NM in the fall. As a reminder, anyone can suggest future rally sites. The following are places we could consider:

- Arizona—Sedona / Cottonwood, Globe, Lake Havasu, Show Lo / Pinetop, Page or Tombstone.
- Colorado—Breckenridge, Durango, Colorado Springs, Steamboat Springs, or Grand Junction.

- New Mexico - Santa Fe/ Taos, Farmington, Las Cruces, Silver City or Albuquerque.
- Nevada—Jackpot, Reno/ Carson City/Lake Tahoe, or Mesquite.
- Utah—Park City, Logan, Salt Lake City, St. George/Hurricane, Provo, or Bryce Canyon.
- Wyoming—Cody, Cheyenne, Sheridan, Devils Tower/Black Hills, West Yellowstone (MT) or Gillette.

Also, Montana and Idaho offer many outstanding locations and some of our members summer in these states. Anyone wanting to host a rally in one of these, or any other place that would work for our club, please contact Mike, Gail or me.

Again, many thanks to those who helped make the "Old Pueblo Rally" a great success.

## The Old Pueblo Rally

By Don Rau

Short but sweet is the best way to describe our Old Pueblo Rally held at Beaudry Resort Park in Tucson, AZ March 7 thru 9, 2004. In spite of a few problems registering early arrivals on Saturday, and still some other problems during the rally, that is

still the best way to describe this first anniversary meeting of the Rocky Mountain Country Coachers. It seems that when some of us arrived on Saturday, a day early with our early reservation confirmation numbers and all, we discovered that Beaudry Resort Park

had changed computers and the early arrival reservations had not made it into the new system. (Now aren't computers great?) But with a great deal of effort on the part of our Gary and Gail and the park's staff,

## AN E-MAIL FROM BRUCE BATTEY

*This is an e-mail from Bruce and Jane Battey, sent on March 2, 2004, to Gary and Gail McEachern.*

"Hello Gary and Gail:

Since we last spoke, Jane and I have become heavily involved in a business venture which is simply consuming all of our time. Most likely for the next year or so we will be completely focused on trying to make a go of this activity. The venture deals with providing new, needed help to our nations veterans. If successful the services we offer will make a huge impact on the lives of many veterans, and will contribute

to the economic growth and development of the U.S. We are excited over the opportunities and challenges before us.

These new commitments force us to withdraw (hopefully only temporarily) from RMCC and CCI activities. It will not be possible for me to continue as RMCC VP, and attendance at rallies will be unlikely. We look forward to staying in contact through the Newsletter.

We wish you the best of luck with the coming events. We will be attending the FMCA convention in Albuquerque as many months ago I had com-

mitted to captain the Tram function there and there is simply no way of getting out of that one! Perhaps we will see you there.

Take good care and we will keep in touch."

Bruce

*(Editors Note:)*

Needless to say RMCC will miss the Batteys. They were a big help to the club during our formulation period. However, it is good to hear of their new endeavor helping our nation's veterans. We wish them well and God's speed! ❧

Jane and Bruce Battey

## "Can you hear me now?"

The Rocky Mountain Country Coachers would like to extend a personal "Thank You" to Jack and Jan Gossett, for their very generous gift of a sound system.

It was obvious at the Old Pueblo Rally, that we needed a good sound system at our meetings so that those who were not seated right up close could hear what was being talked about.

This very generous gift should meet our need. So, again, Thanks, Jack & Jan! We sure appreciate your gift. ❧

## "RED ROCK RALLY," MOAB, UT

## RMCC EXTENDS OUR CONDOLENCES

All of the members of the Rocky Mountain Country Coachers were shocked and terribly saddened to hear of the sudden, and very unexpected death of the daughter of our own Rod and Betty Woods. Their daughter, Jenni-

fer, who was only 25 years old, died on December 2, 2003, with Memorial Services on December 13. Jennifer lived in Phoenix and was planning to be married.

Rod and Betty, our thoughts

and our prayers are with you and the rest of your family.

As you know, if there is anything we, as your RMCC friends, can do to help ease your pain, we stand ready to help. ❧

## Tech Tip—Propane Safety

### Better Safe than sorry!

There is no better advice when it comes to propane safety. While the RV industry has done a lot to ensure high standards regarding propane safety, propane can cause disaster if mishandled or used improperly. When propane leaks from one of the lines inside an RV, it can build up until a source of ignition (spark, pilot light, etc.) causes it to explode.

You should have your motor home's propane system inspected each year by an RV dealer or by a Railroad Commission-licensed propane gas supplier. A technician will check for leaks and for proper

regulator settings, inspect valves and fittings and certify tanks are free from rust and dents. Damaged equipment should be replaced immediately.

You should also inspect the various propane-operated appliances in your RV, including your refrigerator, stove, furnace, lanterns, and other devices. Be sure the supply lines connecting to these appliances to the propane tanks are the correct length and are properly installed, with no supply lines rubbing against sharp edges or corners.

One of the most common hazards with propane is over-

filled tanks. Fortunately, all small propane tanks (up to 40 lb. capacity) manufactured after September 1998 are equipped with overfilling protection devices (OPD). Propane tanks equipped with an OPD are designed to be filled only to a certain level, which allows the fuel to expand into the vapor space as temperatures rise. Tanks filled beyond this level may leak excess pressure through the tank's relief valve into the surrounding air.

If you smell gas in your coach, exit immediately. Don't use electric switches or appliances. Leave the door open to air out the rig. Close the supply valve on the tank and call a propane gas supplier. ☞

## THE OLD PUEBLO RALLY

PUEBLO CONTINUED FROM PAGE 1

we all got located in sites in one section of the park.

Sunday morning the "official" arrival/registration began. The first event on our schedule was a "Fiesta de Beaudry" in the big Convention Center tent. This is a fancy way of saying "lunch is served." As you probably guessed, this was an enjoyable Mexican meal. As we dined, we were entertained by a Mexican Mariachi band with singers. Since the Fiesta de Beaudry was a part of an ongoing program that the park was presenting to everyone, we had opportunity to visit with everyone else at the park who were also enjoying the luncheon.

Later Sunday afternoon (4 PM) RMCC did what RMCC does best. We had a party. Tables of snacks were set up in the street between 2 rows of our parked coaches. Pop, beer, wine and bottled water packed in ice chests were set out for us along with the usual nuts, chips, crackers, etc. Everyone brought their chairs

and were soon contentedly seated with their friends and their nibbles and drinks. But, that wasn't all! After about an hour, out came the rolls, cold cuts, sandwich wraps (small ready-made sandwiches), and veggie trays. So, as always, we enjoyed another meal together. The party didn't begin to break up until after we watched a beautiful Arizona sunset.

Monday morning found us all gathering for donuts and coffee at 8 AM in the Convention Center tent. However, due to a faulty generator, which left us without lights and the little bit of heat needed to chase the early morning chill, we moved to the covered patio to finish our coffee and donut time. At 10 o'clock our official annual business meeting was called to order.

For the details of the meeting, see the minutes attached to this Newsletter.

At the meeting we had the

opportunity to meet some special guests. Mr. Marty Holman, vice President of Beaudry RV Sales and Service and Mr. Kevin Mc Danniel, Beaudry's Inventory Manager, came to welcome us to this Beaudry sponsored rally. The picture at the right shows them holding our Happy First Anniversary cake. Shortly after Marty and Kevin left, Mr. Larry Broadway, Southwest District Vice President of Country Coach, Int. dropped in to extend his welcome to us. Larry is also a new member of RMCC, so we are looking forward to seeing Larry and his wife, Judy, join us at some of our future rallies.

This being our first anniversary, it was exciting to discover we have grown in one year from 42 member coaches to 103. This is, of course, due in large part to the fact that every Country Coach that Beaudry RV sells, new or used (and they have sold quite a large number) receives a free one-year membership in both Country Coach Int.

## A Few Words From Our New Vice President

By Mike Cocci

I'm a native of Walpole, MA, and I matriculated from UMASS, Amherst with a Bachelors degree in Business followed by a MS in Operations Research and Computer Science.

I spent 27 years with the Gillette Company in various Operations and Sales Management positions. My career offered my wife, Mo (Maureen), and me and our 2 children, the opportunity to see the country with 8 relocations. As a result, we embarked on the nomadic lifestyle of the RV'er. And like

many of us, we progressed from tent to pop-up, to travel trailer, always with aspirations of owning a motor coach.

Three years ago an opportunity for early retirement was presented to me and I quickly accepted at which time we relocated to Tucson, AZ. No sooner did we arrive in Tucson than we visited Beaudry RV and the rest is Country Coach history.

Anyone looking for a golf game can always find me at my second love, the Arizona

National Golf Club in North-east Tucson.

Those who know me well will tell you my other passion is to lace up a pair of ice skates and head for the closest ice rink around. I still enjoy playing ice hockey, and I am a certified USA Hockey Referee.

I'd like to thank everyone for your confidence in electing me to be the RMCC Vice President, and I look forward to helping RMCC grow and prosper. ☺

# RMCC GOLF OUTING AT SAN IGNACIO GOLF CLUB

BY MIKE COCCI

## RMCC Golf Outing

### Special points of interest:

- Rick Parks & Bill Holmsley challenged each other for the "Rattlesnake Award."
- Eileen Blakemore & Mo Cocci showed their husbands how to play the tricky par 3's.
- Darkness forced everyone off the course before the rounds could be completed.
- Don't forget to sign up for golf at the Moab, UT Rally.

Twelve of our RMCC golfers hit the links at San Ignacio Golf Club in nearby Green Valley on Monday afternoon, March 8th. It quickly became obvious that our primary objective was to avoid sunburns and heat stroke. Temperatures in the high 80's and crystal clear skies were perfect for a fun-filled day on the greens.

Mel Sapp, a late qualifier, registered the low nine score of the day with a 40 on the front nine while "Banjo Man" Stewart tried to put some pressure on Mel's charge, but the inconsistent greens became his downfall.

Rick Parks and Bill Holmsley challenged each other for the "Rattlesnake" award as they spent much of their time scouring the dessert for errant shots. I'm sure some of their shots frightened the snakes back into the safety of their dens.

In the front group, Eileen Blakemore and Mo Cocci showed their husbands how to play the tricky par threes.

Darkness forced everyone off the course before the rounds could be completed. Based on the abbreviated scoring, prizes were awarded to the following:

- Mel Sapp—Low 9—Golf towel
- Rick Parks—Aches and pains award - Beauty gift certificate for a hot tub site
- Bill Holmsley & Bill Cundy were awarded 3 golf balls to replace those that were left in the desert.

Remember, you all are invited to join us at the Moab Golf Club in May. This course is rated 4 stars by Golf Digest for playability, course condition and the beautiful scenic views. ☺

## On the Lighter Side

# THE OLD PUEBLO RALLY

PUEBLO CONTINUED FROM PAGE 3

and RMCC. So WELCOME to all you new members! We are glad to have you with us.

This annual meeting was our time to elect officers for the coming year. This was not the easy job we had anticipated it to be. It seems that "our current officers were nominated by vote of the RMCC members present at the "Shores" Rally In Newport, OR, (last September), to run for office in the next year (2004-2005)," according to the minutes of the meeting held at the "Shores" rally. There was felt to be a problem with the Vice President position held by Bruce Beatty. Bruce has become very active in the work of the FMCA. Therefore, he is unable to attend our meetings and rallies, and in fact was unable to be contacted prior to this meeting. With that in mind, it was with regret that we felt the need to elect someone else to this office. Mike Cocci was subsequently nominated and elected to be our new Vice President. Congratulations, Mike! And congratulations to Gary McEachern, President, and Gail McEachern, Secretary/Treasurer who were elected to continue in their offices.

A Nominating Committee of 5 couples was appointed by Gary to select potential candidates for the offices for next year (2005-2006). The couples selected are: Mel Sapp and Carol Lawrence, Rick and Marsha Parks, Bo and Kathy Lee, Bill and Reggie Knight, Ray and Harriet Anderson. They met at the conclusion of our meeting to perform their duties. The results of that meeting, I am sure, we will discover in the near future.

After the meeting was closed, we all received our first edition of the RMCC Picture Directory which was so nicely done by Carol and Tom Anderson. These will be continually updated and distributed with the Newsletter. Thanks for a great job, Carol and Tom!

We also received the little "hanger" identifying us as proud members of RMCC. These hangers are to be attached to our CCI name tag. It looks real spiffy. Bill Pontsler graciously drilled the necessary holes for us so we could attach the hangers "right now!" Thanks, Bill.

When our very productive meeting was adjourned, we mostly "hung out" while the caterer, Beaudry's Beer Bottoms Bistro, set up for lunch.

(We do love to eat!) Lunch consisted of Chicken Caesar Salad with breadsticks, spiced cake for dessert, and the beverage of your choice. Twelve of our stalwart golfing enthusiasts took off after lunch to go and beat up on their golf balls at the San Ignacio Golf Club in nearby Green Valley. The results can be found in another column of this Newsletter.

Those who didn't do the golfing thing found other activities to while away the beautiful, warm afternoon. Dinner was on your own.

Tuesday morning only a few members took advantage of our coffee and donuts served on the patio in front of the Convention Center Tent. The reason they others didn't was because everyone was getting registered for the CCI Pre Rally which started at 8 AM. Coffee and donuts were available to those registering in front of the Beaudry Park office building.

Needless to say everyone had a great time at our Old Pueblo Rally. Thanks to our Rally Masters, Gary and Gail McEachern and Mike and Mo Cocci. You did a great job as always! ♪

## FROM THE EDITOR

Did you check out the Rocky Mountain Country Coaches new logo in the masthead and on this page of this edition of our newsletter? I am sure glad to have it to insert in those places instead of the rather boring imitation I was using. I had some problems getting it into a form that I can resize as needed, but I finally found the way.

This edition of our Newsletter also contains the first classified ads we've ever had. Keep it in mind when you want to sell something related to Country Coach RVing. I will find a spot for your ad.

The recent Old Pueblo Rally was sure a well-attended one,

and everyone appeared to be having a great time. RMCC had 50 coaches signed up for the rally, the most we've had so far. The CCI Pre Rally that followed brought about 265 Country Coaches into the Beaudry Resort Park. Everywhere you looked there was yet another happy Country Coacher. Some 36 new coaches were purchased during the CCI Pre Rally. WOW! Just think what that number would have been if our economy wasn't so down!

Hope you all will look over the list of future rallies that we have ahead of us listed on page 6, and start marking your calendar so you won't

miss out on all the fun.

Unfortunately, the Rau's will probably have to miss one or two rallies this summer, due to some health issues that must be addressed. I will need some help getting news items from those rallies, so if you would like to volunteer for my Assistant Newsletter Editor's job during those rallies, don't hesitate letting me know. All you'll have to do is make some readable notes and I'll get the items into the proper format. And remember, the Assistant Newsletter Editor's pay will be the same as my pay — \$0.0. (:>)

See you down the road! ☺
